CAUGHT IN THE ACT

One of the elements of the SLOCOE Injury & Illness Prevention Program is to reward and recognize employees who work safely. This Safety Incentive Award Program is designed & implemented by the Health Management & Safety Committee and supported by SIPE.

TWO WAYS TO WIN $50

OPTION 1
Have you witnessed a co-worker performing a task the SAFE way? All employees (AGENTS) will have a chance to catch a colleague (PERPETRATOR) in a SAFE ACT and give them their chance for a just REWARD! Examples of a safe act are: using proper lifting techniques, using a ladder instead of a chair, putting on gloves or goggles when necessary, etc.

Complete the form below to nominate a colleague for the monthly CAUGHT IN THE ACT drawing. Submit the report to any member of the Health Management & Safety Committee. The winner will receive a $50 check! The agent at large who nominated the winner will receive a $10 Jamba Juice gift card!

OPTION 2
Log onto the SIPE (Schools Insurance Program for Employees) website at www.riskcontrolonline.com and sign in. Choose one or more of the safety modules listed, complete the module, print the certificate of completion and submit to any member of the Health Management & Safety Committee. The winner will receive a $50 check!

The Safety Committee will review all submissions and one grand prize winner will be drawn from each option at the monthly Health Management & Safety Committee meeting. You can only win once per every 90 days.
